

MW2000 FR Trousers

Mid-Weight Flame-Resistant Clothing

MW2000 Trousers

Experience a new level of style, safety, and comfort with our MW2000 flame-resistant (FR) trousers. These protective welding pants meet FR ISO 11611:2015, ISO 11612:2015, and EN 1149-5:2018 safety standards.

Enjoy complete freedom of movement with our 2-way stretch fabric, allowing you to work with agility and ease. No more restrictions – just unparalleled comfort and protection.

We prioritise durability, so you can focus on your craft. Our trousers are built with reliable stitching and reinforced materials to withstand the toughest welding tasks – ensuring long-lasting performance.

Convenience is key during intense welding sessions. That's why our trousers feature strategically placed pockets, giving you easy access to your essential tools without fumbling or searching.

Elevate your welding experience with our premium FR welding trousers. Stay safe, look sharp, and work with confidence. Choose workwear that empowers you to excel in your craft.

- 300g FR material with 2-way stretch
- Main fabric: FR 97% cotton, 2% spandex, 1% anti-static fibre
- Strategically placed cargo pockets
- Convenient and protected pockets for secure tool storage
- Reflective accents for enhanced visibility and safety
